REPORT

OF THE

School Board.

CONDITION OF SCHOOLS.

No. 1.

This school has been under the instruction of Miss Hattie M. Goodwin for two years. We can only speak words of praise for her work in this school.

No. 2.

Miss Katherine N. Brown of Kingston, N. H., taught this school. The school has been brought up to a high standard of excellence under the well directed efforts of the teacher. We were highly satisfied with the progress of the children.

No. 3.

This school was taught by Miss Abbie C. Grover of Hampstead, N. H. This was her first experience in teaching, but she proved herself faithful, both in teaching and discipline. We feel well satisfied with the progress of this school throughout the year.

No. 4.

This school has been taught by Miss Emma E. Clark, who is a teacher of experience and ability. We expected only the best of results and we have not been disappointed.

Parents and friends have shown continued interest in the school by frequent visits during the year. We hope these will increase in number each year, as they are an encouragement to the teacher and a stimulus to increased efforts on the part of the pupil.
